June 7, 2024/ 17 ज्येष्ठ, 1946

Subject: Standard Operating Procedures (SOP) for Central Universities to fill up their vacant seats-reg.

महोदया/ महोदय,

It has come to the notice of UGC that a good number of seats at times remain vacant even after three or four rounds of counselling in some of the Central Universities and their constituent/affiliated colleges. To keep the seats vacant for an entire academic year is not only a waste of resources but also results in denial of quality higher education to many students who aspire to pursue higher studies in Central Universities. University Grants Commission in its 572nd Meeting, held on 20th September 2023 approved a set of Standard Operating Procedures (SOP) to facilitate the Central Universities to fill up their vacant seats. SOPs are enclosed herewith for appropriate action at your end.

It may also be pertinent to mention here that CUET scores will remain the primary criteria for admitting students. In fact, UGC has already written to all the Central Universities to admit students through CUET.

The Vice-Chancellors of all Central Universities

Standard Operating Procedures (SOP) for Central Universities to fill up their vacant seats

It has come to the notice of UGC that seats remain vacant in some of the Central Universities even after three or four rounds of counselling. To keep the seats vacant for an entire academic year is not only a waste of resources but also results in denial of quality higher education to many students who aspire to pursue higher studies in Central Universities. Hence, in order to facilitate the Central Universities to fill up their vacant seats, the following SOPs have been formulated with the approval of the Commission:

- CUET scores will remain the primary criteria for admitting students.
- However, students who appeared in CUET, but may or may not have applied to the respective University for the courses/programmes earlier may also be considered.
- Further, students who appeared in CUET may be considered irrespective of the domain subject papers in which they appeared. Here, the University may relax the domain subject-specific criteria for admission to a particular course/programme.
- In case, seats still remain vacant even after exhausting the list of applicants who appeared in CUET, the Universities may take recourse to the following:
 1. The University may consider conducting an entrance examination at its own level or the concerned department of the University may conduct a screening test.
 2. The University may admit students on the basis of marks obtained in the qualifying examination.
- The entire admission process has to be based on merit and transparency.
- Further, the reservation roster shall apply for admission to courses/programmes in all cases.
- The Universities will ensure timely completion of the entire admission process so that no student faces any kind of academic loss.
